HOUSEWISE

Preferred[™]
SERIES

Model T6-WEM01

Home Comfort Control

From basic setup and programming to monitoring and tracking energy use, the Bryant® Housewise™ thermostat puts you squarely in charge. And with Wi-Fi® connectivity, you can control it from around the home or anywhere in the internet-connected world.

Preferred™ Housewise™ Thermostat

Thermostat

- 1 VIVID, INVITING TOUCH SCREEN**
High-resolution graphics and a modern, consumer electronics appeal make getting involved in your comfort both inviting and effortless.
- 2 COMPACT, PLEASING DESIGN**
The compact, 4-inch by 4-inch wall-mounted control is small enough to blend into your environment, but large enough to make interaction a breeze.
- 3 ANYWHERE ACCESS**
The free mobile app lets you monitor and manage your home comfort system from anywhere. Sudden snowstorm? Turn up the heat before you head home.
- 4 SECURE WEB PORTAL**
The interface for a computer or tablet takes advantage of the larger screen size, putting your entire system on one dashboard view so you can access and change settings.
- 5 SMART ELECTRONICS**
This “smart” thermostat uses data about your system, your home's energy use, historical system settings, and the weather to make intelligent decisions on efficiency and comfort. Homeowners saved an average of 20% on their heating and cooling energy costs.*

*Based on a 2012 third party study comparing Bryant® Housewise™ technology to the estimated cost of a non-programmable thermostat set to 72°F at all times.

HOUSEwise

PERFECT HUMIDITY® TECHNOLOGY

Perfect Humidity® technology ensures optimal summertime cooling dehumidification when system components include multi- and variable-speed cooling products as well as the Housewise™ thermostat.

SMARTEVAP™ TECHNOLOGY

With an appropriate indoor unit, SmartEvap™ technology adds to your comfort by managing airflow to prevent unwanted humidity from re-entering your home.

FAN ON PLUS™ TECHNOLOGY

Fan On Plus™ improves comfort all year long by allowing you to select different fan speeds during continuous fan operation to achieve more or less airflow as needed.

The Preferred™ Series Story

Heating and cooling systems can be complicated, but with Preferred™ Series products working together, being comfortable is a breeze. Starting with your Preferred™ Series furnace and outdoor cooling unit, add the programmable Wi-Fi® Housewise™ thermostat. Complete the system with products that filter and purify the air, ventilate, control humidity and more. They all work as a single unit to deliver whole-home comfort to you and your family.

HUMIDIFIER

Adding moisture to dry, heated air can enhance your comfort, protect your woodwork and minimize static.

EVAPORATOR COIL

A properly matched evaporator coil ensures top efficiency and years of reliable service from your outdoor cooling unit.

AIR PURIFIER

Patented Captures and Kills™ technology treats 100% of the air flowing through your system to both filter and eliminate selected airborne pathogens.

CENTRAL COOLING UNIT

High-efficiency cooling power with a matched Bryant® air conditioner or heat pump delivers whole-home comfort and energy savings.

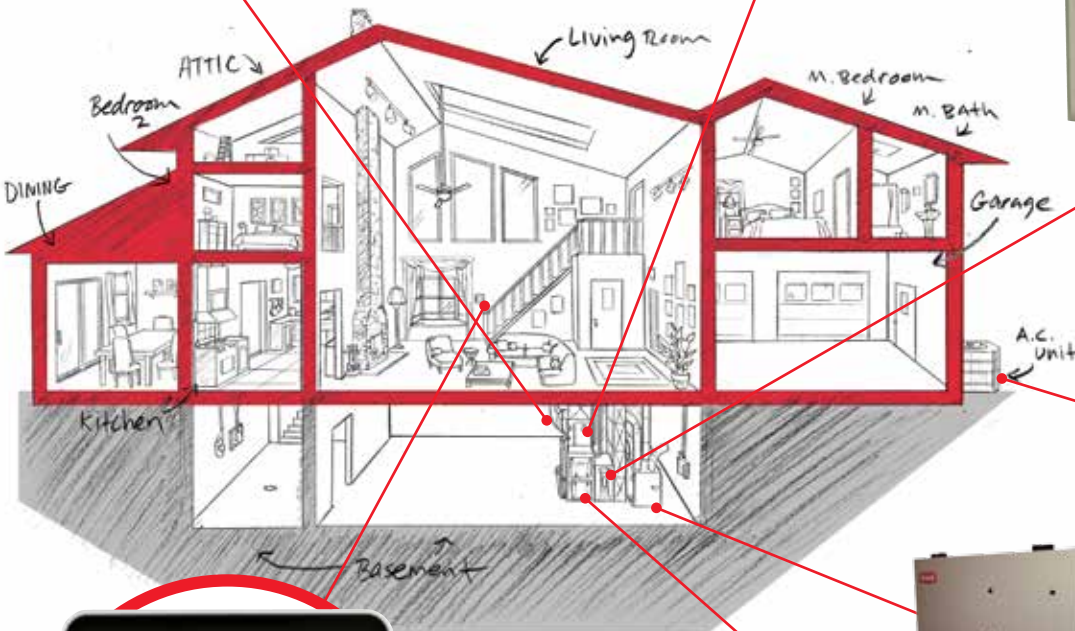

VENTILATOR

Maintain a fresh, comfortable indoor environment by transferring heating and cooling energy to incoming fresh air.

PREFERRED™ SERIES FURNACE

Our Preferred Series 90+% AFUE gas furnaces provide energy-efficient heating, monthly savings and a comfortable value your family can really appreciate.

PREFERRED™ SERIES HOUSEWISE™ THERMOSTAT

Enjoy total system control at the touch of a screen from home, or anywhere with a Wi-Fi® connection.

- Full-color, touch-screen design
- Intelligent, energy-wise programming helps you save 24-7
- Perfect Humidity® technology capable for optimal cooling comfort
- Monthly energy savings tips customized to the way your home uses energy
- Reminders and alerts include filter change, high/low temperature, high/low humidity, and service reminders

Preferred™
SERIES

Connected Comfort and Savings

Professionally installed by your trusted Bryant dealer, the Housewise thermostat is your gateway to average heating and cooling energy savings of 20%.* The sleek, smooth touch screen invites users to become more involved, emulating the look and feel of a tablet or smart phone. From basic setup, to monitoring and tracking energy use, this thermostat puts you squarely in charge. And with Wi-Fi® connectivity, you can control your home's comfort from around the home, or anywhere in the internet-connected world.

Convenient, Accessible, Powerful

Your Housewise™ thermostat can make life easier in more ways than one. Tap your way through the on-screen menu to quickly set your personalized comfort schedule, adjust settings, and add a vacation schedule. Then relax and let it manage your comfort, create energy reports, and even alert you and your dealer when your system needs attention. Or, with the free, downloadable Housewise mobile app, you are just a click or two away from managing your home comfort. It's incredibly convenient, giving you full control from your couch, den, front porch, or anywhere with a connected device.

HOUSEWISE

Thermostat

Savings You Can Really See

When it comes to saving money, seeing is believing. The Housewise™ thermostat provides real-time energy use monitoring, monthly energy reports and month-to-month comparisons in a format anybody can understand. It's never been easier to manage your home energy consumption, from the thermostat itself, from a computer using your personal web portal or on a mobile device with the free, downloadable app.

Energy-Smart Performance

It's great to have control, but it's also nice knowing your thermostat can make intelligent, money-saving decisions on its own. The smart recovery feature automatically makes energy-conserving adjustments based on your home's heating and cooling gains and losses, changes in the weather and more. To take the savings a step further, the Housewise™ thermostat even offers energy tips based on your specific usage.

Top Reasons It Takes Bryant

PASSIONATE SERVICE

Bryant dealers do more than just deliver quality products like our Preferred™ Housewise™ thermostat. They also deliver knowledge, experience and Whatever It Takes® to get each job done right, the first time. You and your system will receive the attention to detail and professional service delivered only by Bryant® dealers.

EXCEEDING EXPECTATIONS

With more than 100 years of experience, Bryant offers a full lineup of products designed with whole-home comfort in mind. Through innovative design and rigorous testing, our products are built to exceed expectations, backed by Bryant warranty protection.

NEW CONVENIENCES

With a diverse line of products to address almost any need, from hot or cold spots, to improving indoor air quality and programmable thermostats with Wi-Fi® capabilities, convenient comfort can be yours when you choose Bryant.

CUSTOMIZED COMFORT SOLUTIONS

Heating and cooling solutions are not one size fits all. Our dealers provide solutions based on your specific needs. From financing and rebates to reliable products professionally installed, Bryant provides options that help keep you and your wallet comfortable.

EFFICIENCY & SAVINGS

High-efficiency comfort systems can reduce your energy consumption and carbon footprint. By reducing monthly utility bills over the life of your system, you'll see how efficient equipment pays off.

Customized Comfort On Three Different Levels

There is a Bryant comfort control for virtually any need or budget. Your Bryant® dealer can help you decide which is right for you. For intuitive, enhanced comfort management, efficiency reports and remote command of your heating and cooling system, choose our Preferred™ Series Housewise™ thermostat.
